Summary

More than 11 years as a knowledgeable and effective professional in all type of electrical boards "Main distribution boards and Motor control centers and Automatic transfer switches and Lighting panels and Sub main distribution boards and Soft starters and Variable speed drives and Generators and Synchronizing and Power factor correction and Pillars and Power and Lighting

Training courses

Short circuit calculation and selectivity study using Ecodial : Schneider electric.
Auto-CAD 2D:Self-Study
Automatic control and motor protection
Gold star company (electronic devices reform)
Desing&Quote Prisma iPM
Low voltage Training Program (ACB, MCCB ...)

Working for

2018 January

-Till now

ZAKI ELSEWEDY GRUBE

- LV Studies Team Leader:
 - Prepare and present technical presentation to customers.
 - Study the received document contained technical specifications carefully get an idea of the type and volume of the work in the operation, project or tender and the required delivery date and make a work study and technical offer suitable for competition.

December 2004: December 2005

Schneider Electric Egypt: -

Control electrician

Computer Skills

- Microsoft office (word, excel, accessetc.).
- Software development and technical presentations by excel program
- Microsoft windows (win8.1, win 10)
- Internet.

Engineering Programs

- AutoCAD 2017
- My Ecodial
- Doc.ABB
- H.control
- Photo shop

Language:

- ARABIC : Native
- ENGLISH : Good

Study Interests Including

- Electrical Circuits.
- Power System Planning & Analysis.

Education

2002

Bsc. Science & Education
Specialize Electrical Power
(Teaching industrial)
El monofiya University, Egypt
Grade Good
General degree (65.41%)

Personal Data

- Born in 1979
- Egyptian
- Muslim
- Married
- I carry a driver's license
- I have two children
