Art

Reading

Travelling

Career objective

Seeking an entry level position in a challenging environment, which provide opportunities for professional growth, and advancement where I can utilize my education background.

Work experience

Mechanical technical Garri Power plant

Oct2009 -

- From sep 2009 to 2012 as Mechanics Technician and 2012 as STEAM TURBINE& GAS TURBINE technical in Garri Power Plant-Sudanese Thermal Power Generating Company (Former National Electricity cooperation)
- As Mechanics Technician :
- GAZ TURBINE:
- Combustion Inspection
- Hot Gas Path Inspection
- Major Overhaul
- STEAM TURBINE:
- Minor Inspection
- Major Overhaul
- BALANCE OF PLANT:
- Maintenance of Pumps
- Maintenance of Compressors
- Maintenance of Piping system
- Diesel engines
- Hydraulic and Control system
- Cooling system
- Fuel storage and supply system
- Auxiliary system in Comb

Gas turbine&steam turbine Garry power plant

J2012 - 2014

- 2012 to 2014 as Mechanics Technician and 2012 as STEAM TURBINE&GAS TURBINE operatoerin Garri Power Plant-Sudanese Thermal Power Generating Company (Former National Electricity cooperation)

AS Operator:

Gas Turbine

Steam Turbine

Balance of Plant

Diesel engines

Cooling System

Hydraulic and Control system

Fuel storage and supply system

- Auxiliary System in Combined Cycle

Education

Mechanical engineering Sudan University

2001 - 2005

Diploma of Engineering, Mechanical Engineering
Sudan University of Science & Technology, Sudan

Certifications

Two training courses at the center of Umm Haraz
