## PROFILE

Electrical engineers design, develop, test, and supervise the manufacture of electrical equipment.

## EXPERIENCE

**11-2012 - present**

### **ALTAKAMOL Cement Company**

Sr. Electrical Power Engineer

\* perform scheduled maintenance and preventative repairs on all electrical systems, equipment, and machinery, planning and undertaking scheduled maintenance responding to breakdowns diagnosing faults repairing equipment supervising engineering and technical staff.

**04-2019 - 04-2019**

### **NR Electronics CO. LTD. , China**

Electrical Engineer - Trainee

Theoretical and Practical Training Of NR Protection and Substation automation System.

**11-2014 - 12-2014**

### **KONOIKE CONSTRUCTION CO.LTD.**

Electrical Power Engineer- Trainee

Practical Training on Operation and Maintenance Of the Pump Station Facility.

## EDUCATION

**01-2004 - 07-2009**

### **Faculty Of Engineering - Nile Valley University**

B.Sc. Honors in Electrical & Electronics Engineering

**11-2008 - 12-2008**

### **Faculty Of Engineering - Nile Valley University**

Personal Computer Maintenance

**04-2009 - 05-2009**

### **Faculty Of Engineering - Nile Valley University**

PLC Systems With Practical Applications

**12-2017 - 12-2017**

### **Exemplar Center For Engineering Training and Career Development**

Modern Power System Protective Relaying

**04-2018 - 04-2018**

### **Exemplar Center For Engineering Training and Career Development**

Low Voltage Switch gears

**12-2018 - 12-2018**

### **Experts Center For Training and human resources Development**

OSHA 30 Hours in General Industry Compliance

**03-2019 - 03-2019**

### **Exemplar Center For Engineering Training and Career Development**

Medium Voltage Switch gears

**02-2019 - 03-2019**

### **PRIMAVERA Center For Planning Engineers Training**

Microsoft Project (MS Project)

**02-2019 - 02-2019**

### **PRIMAVERA Center For Planning Engineers Training**

Microsoft Office Advanced Excel

**01-2017 - 07-2019**

### **College Of Graduate Studies - Sudan University Of Science and Technology**

Master Degree in Mechatronics Engineering

SKILLS

- ✓ Good communication - written and oral skills
- ✓ Excellent conceptual and analytical skills
- ✓ Effective interpersonal skills

HOBBY

Technology

Tennis

basket ball

Ping pong

Foot Ball

Travelling

LANGUAGES

English

Arabic

OTHERS

- 1- Driving License
- 2- Free Of National Service

PERSONALITY

- ✓ Communicative
- ✓ Punctuality
- ✓ Creativity
- ✓ Organized

SOFTWARE SKILLS

Microsoft Word

Autodesk AutoCAD

Microsoft Excel

Microsoft Powerpoint

Microsoft Outlook
