

Eman Bukhari Adam Mohammed

Personal Information

Name: Eman Bukhari Adam Mohammed.

Address: Bahri (Khartoum North), Al-Baraha Block 18, Sudan.

Mobile number: 0912117998.

Email: eman.bukhari@live.com

Nationality: Sudanese.

Date of birth: 21/07/1987.

Summary of Qualifications

➤ **Chemist Qualifications:**

- Highly talented entry level chemistry graduate with gifted scientific aptitude
- Profound knowledge of apparatus, tools and machineries used in chemical experimentation
- Greatly familiar with the procedures and techniques used at chemical laboratories

➤ **Quality (QMS / QA / QC) Qualifications:**

- Strong knowledge of HACCP and ISO standards
- Strong knowledge of Food Safety Programs such as Good Manufacturing practice (GMPs) and Good Hygiene practice (GHPs) and its application
- Internal Auditing for ISO 9001/2008 and HACCP standard requirements and implemented.
- Internal Audit, measurement procedures, analysis and optimization according to HACCP and ISO standards.

- Internal Audit, measurement procedures, analysis and optimization according to ISO 22000 standard.
- Internal Audit, measurement procedures, analysis and optimization according to FSSC 22000 standard.
- Implementation of food defence and food fraud program
- Application of ISO and HACCP standards in Food Factories or companies
- Monitoring, measurement and continuous improvement of food safety system
- Knowledge in Data analysis, measurement and continuous improvement tools
- Strong knowledge in Solving problems correction and corrective action and its reports.

Education and Training

1. University of Khartoum
Bachelor of Science (Honours) in chemistry
Second class – division II
2. Sudan University of Science and Technology
Master degree in Total Quality management and Excellence.
3. Cambridge training college Britain, Communication English – Upper Intermediate
4. Internal Auditor certificate, ISO 9001:2008 certified from Arab quality makers and Qualitas international certification Ltd. UK
5. HACCP advanced Course, certified from American institute of professional studies.
6. Food Safety Management System Auditor / Lead Auditor course IRICA certified (ISO 22000)
