Summary

- Such an ambitious guy who is aiming to have himself developed and useful for the society.
- A highly motivated and experienced Teacher, Attentive and adaptable Middle-Grade English Teacher skilled in using empathy and other emotional intelligence skills to effectively manage classroom behavior.
- Leverages student feedback to create dynamic lesson plans that address student's strengths and weaknesses.
- Excellent admin skills, thorough knowledge of all Microsoft Office programs, as well as proficiency in teaching and extensive experience liaising with people. After volunteering for one day a week with a local charity to refresh my skills, currently looking to resume my professional career.
- Would like to have a position where I can perform perfectly and show the best of my abilities.
- Having list of dreams one of them is (a place and time where Sudan will once again be seen as the last best hope of earth).
- very good in area of communication skills, dealing with people, having information out of them, helping others when they have problems.
- Having a good memory that can store and save many things in the same time.
- Always used to come out with solutions for some complicated problems.
