

Mohammed Abulikailik

Economic & Management science

Looking for an opportunity where I can enhance my skills and experience and with my academic background and courses that I have learned i have i will be a great asset to your organization. My strength in some point like i'm an innovative thinker with impeccable attention to detail. As all-rounder i have knowledge of cash-flow statements, income statement, balance sheets, budget reports and cost analysis. I'm highly motivated and eager to learn new things and able to work effectively with a team.
