- Ensure optimum production performance (material and machine

---

**Education**

---

- **University of Sines & Technology**  
Bachelor Degree in Chemical Engineering

2014

---

**Courses**

---

- Risk Assessment
- Hazard analysis and critical control points ( HACCP)
- Emotions Intelligence
- Advanced Microsoft Excel

---

**Skills**

---

- Problem Solving
- Reporting Skills
- Planning and organizing
- People management
- Decision-making

---

**Language**

---

- Arabic
- English

---
