EXPERIENCE

- Sudanese Red Crescent Society, (volunteer)**
I worked in the Sudanese Red Crescent Society, Khartoum State branch, as a volunteer in financial management at a rate of 4 days per month for a period of 5 years to audit projects accounts and train new accountants and volunteer leaders in financial management and documentary courses.
- Fixed Assets Projects & Insurance: - {July,2013-up to June 2016}**
The fixed asset accountant position is accountable for recording the cost of newly-acquired fixed assets (both tangible and intangible), tracking existing fixed assets, recording depreciation, and accounting for the disposition of fixed assets.
- Systems & Control :- {June,2009 – June,2013}**
Support the effective enforcement of approved procedure manuals and on-going compliance review in strengthening the internal controls
- Credit Control: -{Aug,2007-May,2009}**
The primary function of a Credit Controller is coordinating the debts of existing creditors and deciding whether to allow credit to a debtor – ultimately managing all money borrowed or owed to your business
- inventory Controller :-{ Jan, 2005-July, 2007}**
Inventory control specialists oversee the flow of inventory into and out of a warehouse, from ordering, storage, maintenance, loading and shipment. As far as where inventory control specialists work, we fill inventory control specialist roles across a variety of industries, including pharmaceutical, consumer goods, food and beverage, industrial suppliers, automotive suppliers
